

Florida EMS Training

FL DOH-Approved EMS CE Helps Meet Requirements

The **Florida Department of Health (DOH)** requires 30 hours of CE for EMTs and Paramedics to be completed biennially in specific topics by November 30 of even-numbered years.

DOH requires all CE courses to be pre-approved, and Vector's courses are approved to meet both EMT and Paramedic requirements. All hours may be taken online at the discretion of the local Medical Director.

Manage All Training in Vector's Unified Agency Readiness Platform

- **EMS:** FL DOH-approved CE for EMTs and Paramedics, including content to meet the required 2 hours in Pediatric Emergencies. Role-specific trackers automatically apply CE to the correct categories. Vector reports completions to CEBroker daily.
- **Additional Libraries:** Supplement professional development, safety, and compliance training with a range of high-quality, self-paced online courses that support career growth and success.
- **Centralized:** Document all training (classroom, online, live skill), monitor licenses and certifications, design training plans, and manage in-person events in one, audit-ready system.
- **Training Group App:** Digitize hands-on evaluations with the integrated live skills mobile app to accelerate skill mastery, strengthen compliance, and gain total insight into crew readiness.

DOH Approved Vector EMS Continuing Education

Vector Course	Hours	Pediatrics/Refresher
Abdominal Trauma	1	Refresher
Acute Coronary Syndromes	1	Refresher
Acute Respiratory Distress Syndrome	1	Refresher
Advanced Airways: Intubation and Beyond	2	Refresher

Advanced Allergic Reaction Management	1	Refresher
Advanced Cervical Spinal Injuries: Special Considerations for Athletics	1	Refresher
Altitude Emergencies	1	Refresher
Amputation Injuries	1	Refresher
Aquatic Emergencies	1	Refresher
Assessing the Patient with Major Trauma	2	Refresher
Assessment and Treatment of Altered Mental Status	1	Refresher
Assessment and Treatment of Foot Injuries	1	Refresher
Assessment and Treatment of Sexual Assault Patients	1	Refresher
Assessment and Treatment of Submersion Injuries	1	Refresher
Assessment, Treatment and Transport of Morbidly Obese Patients	1	Refresher
Asthma Advanced	1	Refresher
Back Injury Prevention	1	Refresher
Bariatric Patients	1	Refresher
Basic Airway Management Through Case Studies	1	Refresher
Basic Airway Skills and Adjuncts	1	Refresher
Basic Allergic Reaction Management	1	Refresher
Basics of Arrhythmias: Tachy-arrhythmias and Fibrillation	1	Refresher
Basics of Cardiac Arrhythmias and Premature Complex Rhythms	1	Refresher
Behavioral Emergencies	1	Refresher
Bleeding and Shock	1	Refresher
Bloodborne Pathogens Safety	1	Refresher
Burn Management	1	Refresher
Capnography	1	Refresher
Carbon Monoxide Poisoning	1	Refresher
Carbon Monoxide Poisoning in EMS: Field Recognition, Treatment, and Responder Safety	1	Refresher
Cardiac Arrest for the EMT	1	Refresher
Cardiac Emergencies	1	Refresher
Cardiac Emergencies for the EMT	1	Refresher
Cardiovascular Anatomy & Physiology	1	Refresher
Central Nervous System (CNS) Injuries	1	Refresher
Child Abuse: An EMS Professionals Role & Responsibilities	1	Refresher
Clinical Decision-Making	1	Refresher
Common Infectious Pathogens	1	Refresher
Communication and Documentation	1	Refresher
Complementary and Alternative Medicine	1	Refresher
Confined Space Awareness	1	Refresher

CPR Academic	1	Refresher
Crime Scene Awareness	1	Refresher
Death and Dying	1	Refresher
Dementia: Overview, Assessment, and Care	1	Refresher
Detailed Physical Exam	1	Refresher
Diet & Nutrition	1	Refresher
Distracted Driving for Emergency Vehicle Operators	1	Refresher
Driving Safety	1	Refresher
Emergency Responder Rehabilitation	1	Refresher
Emergency Response to Terrorism (MOD #1)	1	Refresher
Emergency Response to Terrorism (MOD #2)	1	Refresher
Emergency Response to Terrorism (MOD #3)	1	Refresher
Emergency Response to Terrorism (MOD #4)	1	Refresher
Emergency Vehicle Operations	1	Refresher
Endocrine Emergencies for the EMT	1	Refresher
Endocrine System Emergencies	1	Refresher
Environmental Emergencies	1	Refresher
