## Online NFPA-Based Courses & CAPCE-Approved EMS CE to Help Meet Training Requirements

---

The **Bureau of Fire Services, Michigan Firefighter Training Council (MFFTC)**, requires all certified firefighters in Michigan to complete 36 hours of continuing education (CE) triennially, with a minimum of 6 hours per year. Online hours are at the discretion of the local department. MFFTC does not pre-approve CE.

The **Michigan Department of Health & Human Services (MDHHS)** requires Michigan EMS providers to complete up to 45 hours of CAPCE-approved CE triennially (license-based), renew on licensure date, and maintain records for a minimum of one year following the renewal date.

### Manage All Training in Vector's Unified Agency Readiness Platform

- **ISO:** Leverage expertly designed training trackers aligned with ISO benchmarks to capture every detail and point that ISO auditors look for on your next review.
- **EMS:** Vector Solutions is organizationally accredited by CAPCE and its EMS catalog features hundreds of hours of relevant, engaging, CAPCE-approved online courses to simplify recertification. Vector reports EMS CE completions to CAPCE, helping ensure practitioners meet CE requirements.
