

Missouri EMR Training

High-Quality Online Courses That Fulfill EMR Continuing Education Requirements

Vector's online courses help first responders meet National Registry of Emergency Medical Technicians (NREMT) continuing education requirements and achieve Missouri BEMS license renewal. Vector offers over 150 hours of NREMT-approved online courses to help first responders maintain EMR licensure.

- No double data entry and no documentation uploads needed in your local and state training management systems.
- Vector's online EMS courses help your personnel meet 100% of their CEU requirements.

With the TargetSolutions and Acadis integration, EMR personnel in Missouri can now have a single source of truth for all their certifications and training records—from hire to retire—which not only reduces risk, but also makes it easier to access records for compliance validation, pre-requisite documentation, reciprocity needs, worker's compensation claims, and more.

EMS training coordinators LOVE TargetSolutions because all training (online, classroom, skills, etc.) is in one place—digital, searchable, reportable—and easy to track

Subcatgory	Vector Course	CE Hours
Trauma	Abdominal Trauma	1
Cardio	Acute Coronary Syndromes	1
Airway	Acute Respiratory Distress Syndrome	1
Airway	Advanced Airways: Intubation and Beyond	2
Medical	Advanced Allergic Reaction Management	1
Trauma	Advanced Cervical Spinal Injuries: Special Considerations for Athletics	1
Medical	Altitude Emergencies	1
Trauma	Amputation Injuries	1
Medical	Aquatic Emergencies	1
Trauma	Assessing the Patient with Major Trauma	2
Medical	Assessment and Treatment of Altered Mental Status	1
Trauma	Assessment and Treatment of Foot Injuries	1
Operations	Assessment and Treatment of Sexual Assault Patients	1
Trauma	Assessment and Treatment of Submersion Injuries	1
Operations	Assessment, Treatment and Transport of Morbidly Obese Patients	1
Medical	Asthma Advanced	1
Operations	Back Injury Prevention	1
Operations	Bariatric Patients	1
Airway	Basic Airway Skills and Adjuncts	1
Medical	Basic Allergic Reaction Management	1
Cardio	Basics of Arrhythmias: Tachyarrhythmias and Fibrillation	1
Cardio	Basics of Cardiac Arrhythmias and Premature Complex Rhythms	1
Trauma	Bleeding and Shock	1
Operations	Bloodborne Pathogens Safety	1
Trauma	Burn Management	1
Airway	Capnography	1
Medical	Carbon Monoxide Poisoning	1
Cardio	Cardiac Emergencies	1
Cardio	Cardiovascular Anatomy & Physiology	1
Trauma	Central Nervous System (CNS) Injuries	1
Operations	Child Abuse: An EMS Professionals Role & Responsibilities	1
Operations	Clinical Decision-Making	1
Medical	Common Infectious Pathogens	1
Operations	Communication and Documentation	1
Medical	Complementary and Alternative Medicine	1
Operations	Confined Space Awareness	1
Cardio	CPR Academic	1
Operations	Crime Scene Awareness	1
Medical	Death and Dying	1
