

Georgia Communications Officer Training

High-quality Pre-approved Online Courses

Communications Officers in Georgia are required to complete 10 hours of continuing education (CE), due annually by December 31st.

The Georgia Peace Officer Standards & Training (GA POST) in coordination with Georgia Emergency Communications Authority (GECA) requires all courses to be pre-approved. Vector Solutions offers 37.5+ hours of online training, pre-approved by GA POST that can be used to help meet CE requirements.

All Training can be Managed in Vector's Unified Agency Readiness Platform

- Incorporate your new hire training into the same single-login platform as the rest of your training.
 - Manage all training in one unified, audit-ready platform.
 - Supplement professional development with high-quality online courses from our emergency telecommunicator catalog, including current topics like Identifying and Understanding a Mental Health Crisis, De-escalation Fundamentals for Calltaking and Dispatch, Preventing Compassion Fatigue and Burnout in Dispatch, and more.
-

25+ Years of Expertise Creating Award-winning Online Course Content

Vector Solutions has 25+ years of experience partnering with subject matter experts to offer a comprehensive catalog of engaging, instructor-led courses. These award-winning online courses for public safety that incorporate 2D/3D animations, simulations, and interactive modules proven to boost retention and improve learning outcomes.
