

Fire Service Safety and Compliance Training

Amynta EOB Offers Complimentary Online Training to Agents

Amynta EOB is pleased to offer its agents complimentary access to TargetSolutions, a best-in-class safety and compliance training management system. Trusted by more than 10,000 public safety organizations, TargetSolutions delivers high-quality, expert-authored courses on important safety, practical, and compliance topics in one convenient online system, saving you valuable time and money.

- **Public Safety Focused** – Our scenario-based Fire and EMS* courses are developed with fire service professionals in mind, so the content is relevant and applicable.
- **Engaging Essential Training** – Leverage a wide range of course offerings covering critical safety, compliance, and professional growth topics. Our catalogs are regularly updated as new standards, requirements, and best practices evolve.
- **Easy to Implement & Use** – Our training management system makes it easy to self-assign, complete, and record training. Millions of courses are completed each year! Plus, the mobile-responsive navigation makes staying on top of your training easy on any device.
- **Automated Features** – Our system includes several automated features that make your job easier. Set up credentials and training plans in minutes. Utilize email notification, real-time tracking, and more!

Amynta EOB Training Libraries
