Insurance Solutions for Public Entities

PRU Training Libraries

OSHA & COMPLIANCE

Courses cover general safety, environmental awareness, human resources, and supervisor-related topics. Our courses can help you comply with OSHA and other federal and state regulatory agency training mandates.

HR & BUSINESS SKILLS

Provide quality online courses to personnel designed to increase safety comprehension, change unsafe behaviors, and decrease claims.

DRIVER SAFETY

Reduce motor vehicle losses with our driver curriculum designed to help change unsafe driving behavior and reinforce critical safe-driving concepts. Courses are tailored to meet the varied needs of drivers of automobiles, large trucks, and passenger vans.

CYBERSECURITY

Be proactive in protecting sensitive corporate and personal information against the rising threat of cybersecurity breaches. Our catalog features courses with up-to-date lessons for browser, email, password security and more to improve cybersecurity awareness amongst personnel and mitigate risks to your organization's data.

OFFICE PRODUCTIVITY

Our comprehensive catalog helps organizations to develop employees' abilities and maximize operations. Easily deliver Adobe, Google, Intuit, and Microsoft Office training online to enhance professional skills and build a foundation for career growth.
