

AgencyConnect

The Fragmentation Problem

Training Records & Certifications
for First Responders are
**Siloed Across Multiple Agencies
& Disparate Repositories**

State Certifying
Authorities

Training
Academies

Local
Departments

Submitting Mandated Training
Documentation to Certifying Authorities is
Manual & Labor Intensive

Double Data
Entry

Manual & Slow
Processes

Extra Administrative
Time

Training Mandates are Becoming Increasingly
Complex, which Adds **Additional Time &
Effort in Fulfilling & Tracking
Training Requirements**

Time
Consuming

Fulfilling
Mandates

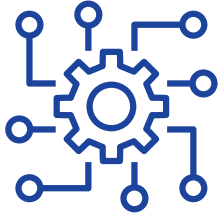

If a First Responder Falls Out of Compliance,
**They Can No Longer
Legally Serve**

*Fragmented Systems and Manual Processes Inhibit
First Responder Training and Certification Insight*

AgencyConnect

The Connecting Solution
