

Digitize Live Skill Evaluations and Boost Skill Mastery

100% of Training in One Place for Total Oversight
and Insight into Crew Readiness

Equip your crew with the mobile live skills app
integrated with TargetSolutions to streamline hands-on
training documentation and elevate skill proficiency.

Vector Evaluations+ ensures live skill
assessments are thoroughly documented,
making it easier to identify areas for
improvement and track progress. Completed
evaluations are automatically recorded in
TargetSolutions' credentials, creating a
comprehensive, end-to-end training and
certification management program.

Less Admin Time = More Training Time

Instructors spend less time on the administrative tasks with an easy-to-use app that enables scoring, file uploads
and seamlessly integrates with TargetSolutions from their mobile device.

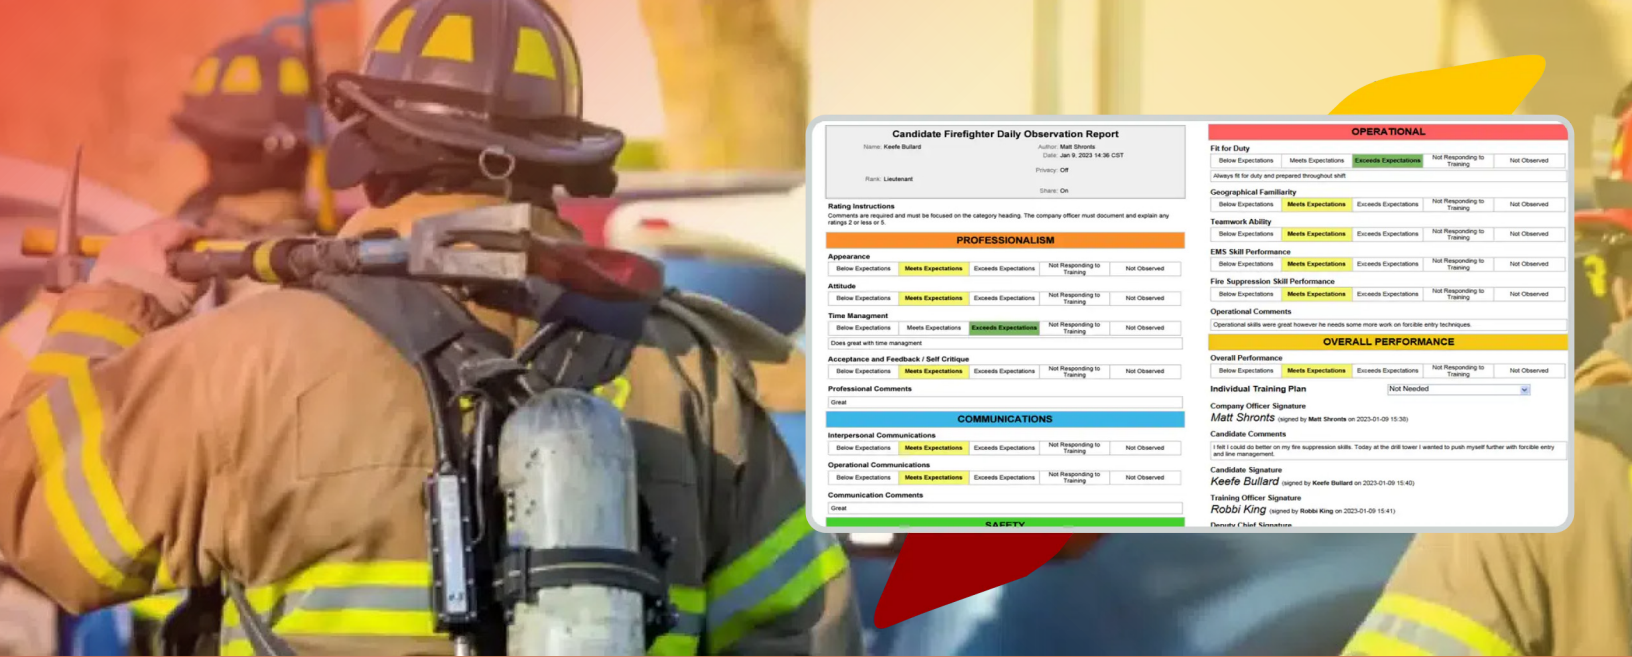

Eliminate paper skill sheets
and record, evaluate and
digitize heavy task book
binders to verify competencies
from the drill yard.

Digitized forms, automated calculations,
and at-a-glance color-scale rating
dashboards saves admin and boosts
oversight, giving you more time to enhance
training programs and work with trainees.

Evaluate individual skills or an
entire crew's performance in a
few clicks; no need to submit
separate assessments for
individual evaluations.

Accelerate Skill Mastery

Trainees gain clearer insight into their performance and areas for improvement with digitally recorded assessments

Capture videos and photos in-app to demonstrate best practices and enhance skill comprehension.

Get form strategy inspiration from the pre-built form library and leverage various categories and answer options to engage trainees.

Support digital natives and novices with the intuitive and easy to use mobile app.

Better Documentation and Liability Safeguards

When skills and techniques are questioned, good documentation that provides better insight into staff competencies can be a safety net for employees and agencies.

Multiple electronic signatures confirm both the trainee and instructor have signed off to confirm a competency.

Protect your agency from lawsuits with thorough documentation that shows your staff has been properly trained and certified.

Get anytime, anywhere access to all your training data in one place.
